Don't worry, you're not going crazy. Sam said that he never sent us summonses but wanted to know if we could still make it. I just laughed. I wouldn't worry about it unless you get the summons and I probably still wouldn't go. Hope you're having a blast there today!

Not sure if you'll be in tomorrow (Weds) but Sam Z. from Cambridge was looking to see if you could testify in a school zone case tomorrow (12/2). I told him you were out sick.
